PRESIDENT'S REPORT

2021 promised to be a more positive year than 2020 with the initial shock of Covid-19 pandemic behind us. Preseason training began on a strong note. Masks were worn, social distancing was observed and the group looked quite fit and ready for a big season. We had a great panel of coaches on board and we raced through 10 great rounds of footy before disaster struck and we were plunged into a lockdown again!

Whilst this was frustrating for the committee, AFL Sydney, players, and everyone involved in footy, spare a thought for Life Member and Hall of Fame member Ken Ray, who is stuck on 598* Premier Division games and 908 total games. I'm confident that Ken would have achieved both 600 and would have come close to 1000 games should we have had a full year and finals series, but 2022 will need to be the year we can celebrate with Ken!

At the start of the year, we presented trophies and awards from the previous year, and the committee hosted a few BBQs and social events throughout the year. We had planned for a great end of season function but had to settle for a video conference. Award winners were presented awards over the conference call and my congratulations to all winners. The fact that we had two Frank Kalayzich and two Jim McSweeney award winners speaks volumes about the quality of umpires that are coming through the ranks and there certainly is a bright future ahead of us.

On the side, the committee has continued to engage with other associations in Australia as a part of a national initiative hosted by the AFL Umpire's Association. Once a quarter we hold discussions with other associations and discuss key matters such as national standards, challenges and how to manage umpires in the new VFL competition. I'm not sure why this has only become a recent group but it is very encouraging to be a part of and it will only lead to positive benefits for umpires in both our association and those in other regions.

We were able to present some of our awards via an online conference call and I look forward to our pre-season launch next year where we will present the trophies and awards to the winners.

For 2022, we have a few changes coming to the committee in what will be another trying year for footy, but as a group I'm sure we will through and support each other through trying times!

SECRETARY'S REPORT

Another extremely difficult season was had this year. We had plenty of plans but alas not all could be put into place.

We purchased AFL Beanies and Caps to be given to members as part of the membership. They look pretty good!

We started off the season with our awards evening at our training session at North Sydney Oval....not as prim and proper as previous seasons but Covid happened and we make do!

Congrats to all our winners. We followed this training with drinks at North Sydney Hotel with the first drink for all members shouted by the Association.

Our next get together was a sausage sizzle after training on June 15th. Was great to catch up and socialise and at this stage look forward to games to come. Unfortunately we were shut down 2 weeks later.

We had booked and planned our End Of Season to be held on October 9th, but again Covid beat us and we had to cancel.

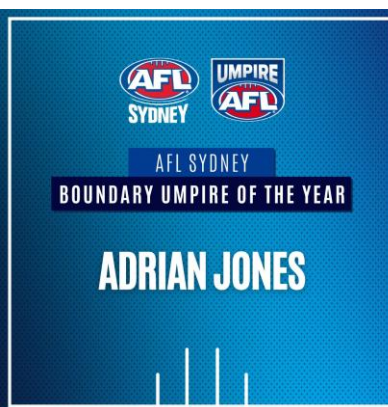

We look forward to 2022 being a much better season for all with hopefully things getting back to normal.

Wishing everyone a safe off season...see you on the field as soon as we can.

Theresa Taylor
